Welcome to the World of Essential Oil Skin Care & More

Hello, beautiful! Welcome to a world where nature's treasures meet your skincare routine. If you're here, it's because you're curious about how to harness the power of plants to make your skin glow. We're thrilled to be your guide on this journey to radiant, healthy skin, naturally.

Why Use Essential Oils?

Essential oils are nature's gift, distilled from plants to capture their purest essence. For centuries, cultures worldwide have relied on them for skincare, wellness, and rituals. Ancient Egyptians used them for beauty, while Greeks and Romans celebrated their ability to heal and uplift. These timeless treasures connect us to Mother Nature, bringing her nurturing power into our daily lives.

Today, essential oils offer a holistic approach to wellness, benefiting your skin, body, and spirit. From soothing the mind to enhancing self-care routines, their versatility makes them a perfect blend of ancient wisdom and modern well-being. Let essential oils help you glow inside and out!

GLOW UP ESSENTIAL OIL CHEAT SHEET

HOW TO USE ESSENTIAL OILS SAFELY

Dilution Ratio: 1–2 drops essential oil per 1 tsp carrier oil or 1.5 - 2% of essential oil weight to that of the carrier oil.

Patch Test: Always test on inner forearm before facial use.

Avoid Sun Sensitivity: Do not use citrus oils (e.g., lemon, bergamot) before sun exposure.

Sensitive Areas: Keep away from eyes, mouth, and broken skin.

Storage: Keep oils in dark glass bottles away from sunlight.

Shelf Life: Most essential oils last 1–2 years; citrus oils may expire sooner.

Consult a Professional: If pregnant, nursing, or using for medical purposes.

Pro Tip: Always start with one essential oil and observe how your skin responds before creating complex blends.

Suggested Essential Oils by Skin Type

Skin Concern	Recommended Oils	Benefits
Dry Skin	Rose, Sandalwood, Patchouli	Deep hydration, smooth texture
Adult Acne	Geranium	Balance hormonal ups & downs
Mature Skin	Frankincense, Carrot Seed	Reduce wrinkles, boost elasticity
Sensitive Skin	Chamomile, Lavender, Rose	Soothing and moisturizing

Suggested Carrier Oils for Face & Body

Skin Care Formulas to Glow With

Please remember this is not meant to be used as medical advice. These are suggestions based on Susan's 25 years of work with essential oils and creating soaps and skincare products using them.

When creating these suggestions as well as her own products she has researched extensively to make sure she is providing accurate and safe suggested uses. She hopes you find this helpful but please make sure to follow the safety instructions as well as the formulation instructions precisely.

FACE SERUM STEP-BY-STEP INSTRUCTIONS

COMBINE

1

In a small clean bottle, preferably amber, not clear combine 1 TB of sweet almond oil with 6 drops of your chosen face oil. Choose from frankincense, carrot seed or gernium.

MIX

2

Cap the bottle and shake gently to mix

APPLY

3

Apply a few drops to your face and neck after cleansing, both morning and night. Avoid eye area when applying! Note: If wearing make-up over serum is a problem only apply serum in the evening.

BDOY OIL STEP-BY-STEP INSTRUCTIONS

COMBINE

1

In a small clean bottle, preferably amber, not clear combine 1 TB of safflower oil with 6 drops of your chosen body oil. Choose from lavender, patchouli or myrrh.

MIX

2

Cap the bottle and shake gently to mix

APPLY

3

Apply to body where needed. Ideal time to apply is after showering immediately after drying off. Apply before bed as well if desired. Safflower soaks in really quickly so as not get on clothes or sheets.
